PARADISE ISLAND, BAHAMAS

As one of EPPG's 100% CLUB qualifiers this fiscal year, you and one other lucky person will take part in the many activities available at Atlantis. Enjoy guided nature walks, join pool & deck games, arrange non-motorized water sports such as water bikes, kayaking, snorkeling or go golfing on a world-class golf course.

Set amidst the lush tropical splendor of the Caribbean, Atlantis is an exhilarating adventure of thrills and discoveries. Interact with the sea's most playful inhabitants. Experience culinary delights surrounded by nature's most beautiful wonders. Slip into the utopian water rituals and let the layers of the outside world wash away in the heated saltwater pool, tropical rain shower, sauna and aromatic steam room. At Atlantis, ordinary events become magnificent.

Only one resort in the world can take an ordinary event beyond extraordinary. Only one resort can create a mythical world of water, exotic Caribbean beauty and exhilarating adventure to stimulate each and every one of the senses. Only one resort can provide a true sense of discovery for everyone who comes to enjoy the paradise that is ATLANTIS.
